## What sets a Barefoot Books Fundraiser apart?

Barefoot offers a completely non-commercial line of children's books that cultivate a care for the earth and a respect for diversity. Barefoot books feature themes of compassion and kindness while exposing children to other cultures and traditions.

We also offer a variety of collaborative board games and puzzles that foster cooperation and stimulate learning.

My standard fundraising model is as follows:

Book Fair Fundraising Model	Earn Free Books	Earn Cash
Event total sales less that \$299	15%	N/A
Event total sales of more than \$300	20%	10%
Event total sales of more than \$500	25%	15%
Event total sales greater than \$1,000	30%	15%

It's as easy as 1, 2, 3!
